Dear Mr. De Alessandrini,

The Italy-America Chamber of Commerce is pleased to inform you that Sassaia's Gavi white wine, produced by Azienda Vitivinicola Bergaglio Pier Carlo, will be the honorary white wine pour during our Annual Gala dinner which will take place on November 21, 2014 at Cipriani Wall Street.

In this occasion we will be celebrating the Italy-America Chamber of Commerce 127th anniversary as well as important milestones marking 130 years for Bulgari and 100 years for Maserati. Projected attendance for the event is 600 guests comprised of IACC members, VIP executives of the Italian American business community, and representatives from Institutions of both nations.
